MEMORANDUM FOR: Deputy Director for Administration

25X1 FROM: [REDACTED]
Special Assistant to the DCISUBJECT: Funding for Personal Security
of Overseas Personnel

1. During the recent DCI trip through Africa, the Station personnel concern for family security was apparent, particularly [REDACTED] where violence and armed robbery are high. 25X1

25X1 2. One procedure urged [REDACTED] was to maintain a dog in the home or apartment. Finding a decent dog in Africa is apparently a rarity. Bringing a dog out to Africa Stations is prohibitive due to shipping costs.

3. It would be of service to overseas Station personnel and their families if we could look at ways [REDACTED] to fund the shipping of a dog for security reasons. When asked how wives cope with physical insecurity, a Station officer said they live in silent fear. 25X1
